## PRESS RELEASE

The Department of Trade organized, under the high patronage of His Excellency the President of the Republic, a national conference on foreign trade, at the Palais des Nations - Club des Pins - Algiers, 30 and March 31, 2015

The organization of this conference aims to engage the widest possible debate around the issue of external trade, between all the actors (public authorities, economic and social partners, experts, academics) as well as the representatives of international agencies specialized in the effect, not only, to proceed to an exchange of points of view on the actions to be taken to streamline and oversee our trade but, also, to reflect on the measures to be taken to improve the quality and the level of national production in order to meet, on the one hand, the needs of the domestic market and on the other hand, to improve the supply and the volume of exports outside hydrocarbons.
